## Family Volunteers at Interlaken Preschool

Family participation and volunteerism at Interlaken Preschool is welcomed and most encouraged. Our family community represents a diverse set of skills, talents, and interests. As the busy families of young children, we hope to assist you in locating an avenue to help out at school that is both meaningful and sensitive to the many demands on your time.

Below is a list of areas where your time, talents, and interests are so useful and appreciated. While non-binding, we use this list as a source pool when developing committees or completing tasks. At times, your classroom teachers may also ask for help with specific needs.

Interlaken Preschool is a non-profit organization and we aim to make full use of all of our resources. Many employers will match donations or have grant programs that could benefit Epiphany Early Learning's mission. So that we can be aware of these possibilities, please share the following information:
