

## Inclement Weather Policy

Interlaken Preschool has implemented the following policy in order to keep children, families, and staff safe during snowy conditions or other inclement weather.

1. Interlaken Preschool reserves the right to close at any time due to severe weather conditions.
2. In general, Interlaken Preschool will close for severe weather whenever the Seattle Public Schools close. If Seattle Public Schools are closed, Interlaken will be closed.
3. If Seattle Public Schools open two hours late, Interlaken will open at 10:30 a.m.
4. When Seattle Public Schools are out of session due to breaks, teacher inservice days, or other closures, Interlaken Preschool's closures/delays will be at the discretion of the Director.
5. To alert families and staff in the event of a closure or delay we will employ the following practices.
  - Post a message on the school's voicemail system by 6:30 a.m. to communicate any closure or delay;
  - Distribute an email to families and staff to notify all of a closure/delay.

*There are no refunds or credits for closures due to severe weather.*
